

## Sanitaire's Corporate Partners & Charities

Sanitaire™  
Health Care Systems & Services

At Sanitaire we are committed towards collaboration and supporting charity services and organisations as part of our community support model.

### St. Laurence

[www.stlaurence.org.au](http://www.stlaurence.org.au)

St Laurence Community Services Inc operates from over 24 sites throughout the Barwon and Grampians regions of Victoria, with over 540 staff and 250 active volunteers.

### Mphatso Childrens Foundation

[www.mphatso.org](http://www.mphatso.org)

Mphatso Children's Foundation was officially formed in April 2006 by Robyn Casey, when it became a registered charity. By using a community development approach, Mphatso desires to come alongside the people of Malawi to enable choices that empower them to escape the effects of poverty and grow to their full potential in God.

### Bio Solve Environmental

[www.bioenvironmental.com.au](http://www.bioenvironmental.com.au)

Bio Solve Environmental provides a broad range of biological systems, products and services. At Bio Solve we are committed to providing products and services which are environmentally friendly and effective.

### Integrity Cleaning Solutions

[www.integritycleaningsolutions.com.au](http://www.integritycleaningsolutions.com.au)

Integrity Cleaning Solutions is a new proud family owned Australian distributor and supplier of cleaning and hospitality services and products based in Geelong Australia.
